

Provide Your Consumers with the opportunity to “Support Our Troops” at the same time they are “Supporting Scouting”

1. Consumers will place their regular order on the Take Order Form for the products that they want to purchase.
2. Consumers can then put a check mark or list a quantity in the column shown to designate an additional order as a donation of \$25 of Popcorn to the United States Military.
3. Each Unit will then tally the total of their Military Product Donations, just as they do for every product on the order form and submit their order to the Council.
4. The Council will then submit their complete order to Trail's End for all of their products including the Military Product Donations.
5. If the Council would like the Military Product Donation shipped to a specific Military Base or location to make a visible donation then they would place a separate order for Military Items only with Trail's End. Otherwise, Trail's End will handle all aspects of the Military Product Donation shipments.
6. The product mix for each Military Product Donation will be determined by Trail's End and will include a variety of Trail's End Items.
7. The Military Product Donation (Item# 102996) will be at a set Retail Price of \$25 per order with a 70% Return to Scouting. The cost to each Council will be \$7.50 for each Military Product Donation ordered .

SUPPORT OUR TROOPS WITH AN EXTRA PURCHASE OF POPCORN

Your generous gift of \$25 of popcorn will go to active duty troops serving in the United States military. Just place a check mark in the yellow column, next to your regular order.

PLEASE INDICATE AN EXTRA ORDER WITH A CHECK MARK IN THIS COLUMN

MAKE CHECKS PAYABLE TO:

\$25
