Hey there Unit Leaders-

We know the 9th point of the Scout Law is "THRIFTY" - what a great opportunity to allow the Scouts to earn their own way to camp and learn valuable lessons-

The Scouts will be rewarded for doing their best with great prizes while helping to take the financial burden off of the Scouting family-

Here is how it works:

The fee for **Boy Scout Camp** is \$210.00.

You require the Scouts to sell only 26 Flashlights and off to camp they go - for **FREE!!**
Plus the troop and council will benefit to keep the program going strong....

The fee for **Resident Camp** is \$85.00.

You require the Scouts to sell only 12 Flashlights and off to camp they go - for **FREE!!**
Plus the pack and council will benefit to keep the program going strong....

The fee for **Cub Day Camp** is \$60.00.

You require the Scouts to sell only 8 Flashlights and off to camp they go - for **FREE!!**
Plus the pack and council will benefit to keep the program going strong....

Think of the lifelong lessons learned, the merit badges and advancements earned, and the friendships started that last a lifetime!

Let us help you get more boys to camp this year!
