

# WHO SHOULD BE ASKED TO BUY POPCORN?

Don't leave anyone out—everyone has great ideas on who to sell to. Make sure you include these:

- Everyone you sold to last year
- Next-door neighbors
- Grandparents
- Aunts, uncles, cousins
- Church friends
- Baseball (football, soccer, etc) team friends
- Mom & Dad's co-workers
- Everyone from whom you've bought "wrapping paper" (or, insert other fund raising items as appropriate) in the last year
- Set up a booth at your local grocery store or Wal-Mart (make sure to get permission first!)

**Popcorn** also makes great gifts! You can send it to out-of-town friends and family this holiday season. Also, you may know of a company that gives gifts to customers and suppliers—encourage them to use popcorn (their check to BSA will be tax deductible, and it helps out your unit!)
